

Parade of Lights

November 29, 2014

Theme: "Down Home Christmas Celebration"

Prizes:

- 100.00 cash prize and possession of the coveted Parade of lights traveling trophy for the overall "Best of the Parade"
- \$100.00 cash prize for the BEST sound on a float. To be eligible, floats must play their music directly from either 93.7 or 55 Country (AM 550). The stations will simulcast a special mix of Christmas music, before, during and after the parade which will enhance not only the individual floats, but also the ambiance and effect of the entire parade for all spectators along the parade route. Thanks to KRAI, we can now enjoy a continuous flow of the best Christmas music as the parade moves by. If you have questions about how to best connect a radio receiver to your float's sound system, contact Frank at 824-6574. Sponsored by KRAI
