

**My name is Tammy Raschke and I would like to announce that I am running for the position of Moffat County Clerk & Recorder.**

**I have worked in the Moffat County Clerk's office for the last twenty seven years. I have served as the Chief Deputy Clerk. I have also been the Motor Vehicle Supervisor for the past twenty two years, which is the position that I currently hold.**

**I feel that I am the most qualified and experienced person for this job. I have a good knowledge of the office and I would like to continue the quality customer service that we now provide. I also think that if I am elected it will provide a smooth transition not only for the office but for the public as well. The customer service and knowledge that we provide is very important. We are ultimately here to serve the public. One of the goals of our office is to make sure that every transaction is professional and a pleasant experience for everyone involved.**

**With your support I promise that I will do my best to serve the community as your next County Clerk & Recorder.**

**Thank you.**
